Many Channels into Illumina Technology – CSPro Programs

Certified Service Provider (CSPro) Program

What is Illumina CSPro?

Illumina CSPro is the service partnership established to help ensure your success in providing the highest-quality genetic analysis services using Illumina's leading-edge technology.

CSPro Program Benefits

- Press release on initial certification
- Listing on Illumina CSPro website
- Usage of Illumina CSPro program logo/identity
- Co-marketing Tool Kit
 - Co-marketing activities
 - 3 per 12 month period
 - Laboratory Training tools
 - Customized promotional flyer
 - Laboratory signs
 - Polo shirts for laboratory staff
- Specialized selections
 - Web based technical training
 - Invitation to attend user group meetings
 - Feature in iCommunity eNewsletter
 - Trade show co-promotional package

Proven solutions. Quality provider.

Are you looking for the highest level of confidence that you are working with the highest quality data? Then turn to your Illumina CSPro. Illumina CSPros deliver proven performance backed by a rigorous certification process and provide technology expertise developed through ongoing training. Every Illumina CSPro is a true expert with a superb record of success using Illumina solutions.

Photo option has been provided at www.illumina.com

APPLICATION EXPERTISE
Your Illumina CSPro is certified for one or more of the following Illumina applications:

SOLEXPRESS GENOTYPING
Benefit from robust, leading call rates and performance. Specific standard or custom SNP panels. Access the proven way to leverage next in genotyping custom workflows.

WHOLE-GENOME AND FOCUSED ARRAY DATA EXPRESSION
Access high-quality custom content at

illumina®

services: illumina cspro

Illumina CSPro is a collaborative service partnership dedicated to ensuring the delivery of the highest-quality data available for genetic analysis applications. Illumina CSPro Providers undergo a rigorous two-phase certification process that includes minimum data generation, data certification, and an on-site audit of the facility and processes. To find out more about an Illumina CSPro organization, click on the links below.

illumina cspro certified service providers

 **Genizon BioSciences**
880 McCaffrey Street
St. Laurent, Quebec, Canada, H4T 2C7
Phone: (514) 270-3991
Toll free: 1-888-244-0388
Fax: (514) 270-0209
Email: info@genizon.com
Web: www.genizon.com
Certified Applications: GoldenGate Genotyping, Infinium Genotyping

 **Genome Québec**
The Québec Way Begins
630, boul. René-Lévesque Ouest, suite 2660
Montréal, Québec, Canada, H3B 1S6
Tel.: (514) 398-0668
Fax: (514) 398-0663
Email: genome.quebec@mail.mcgill.ca
Web: www.genomequebec.mcgill.ca
Certified Applications: GoldenGate Genotyping, Infinium Genotyping

 **Asuragen Inc.**
2150 Woodward St., Suite 100
Aveeta, TX 78744

ILLUMINA FASTTRACK SERVICES

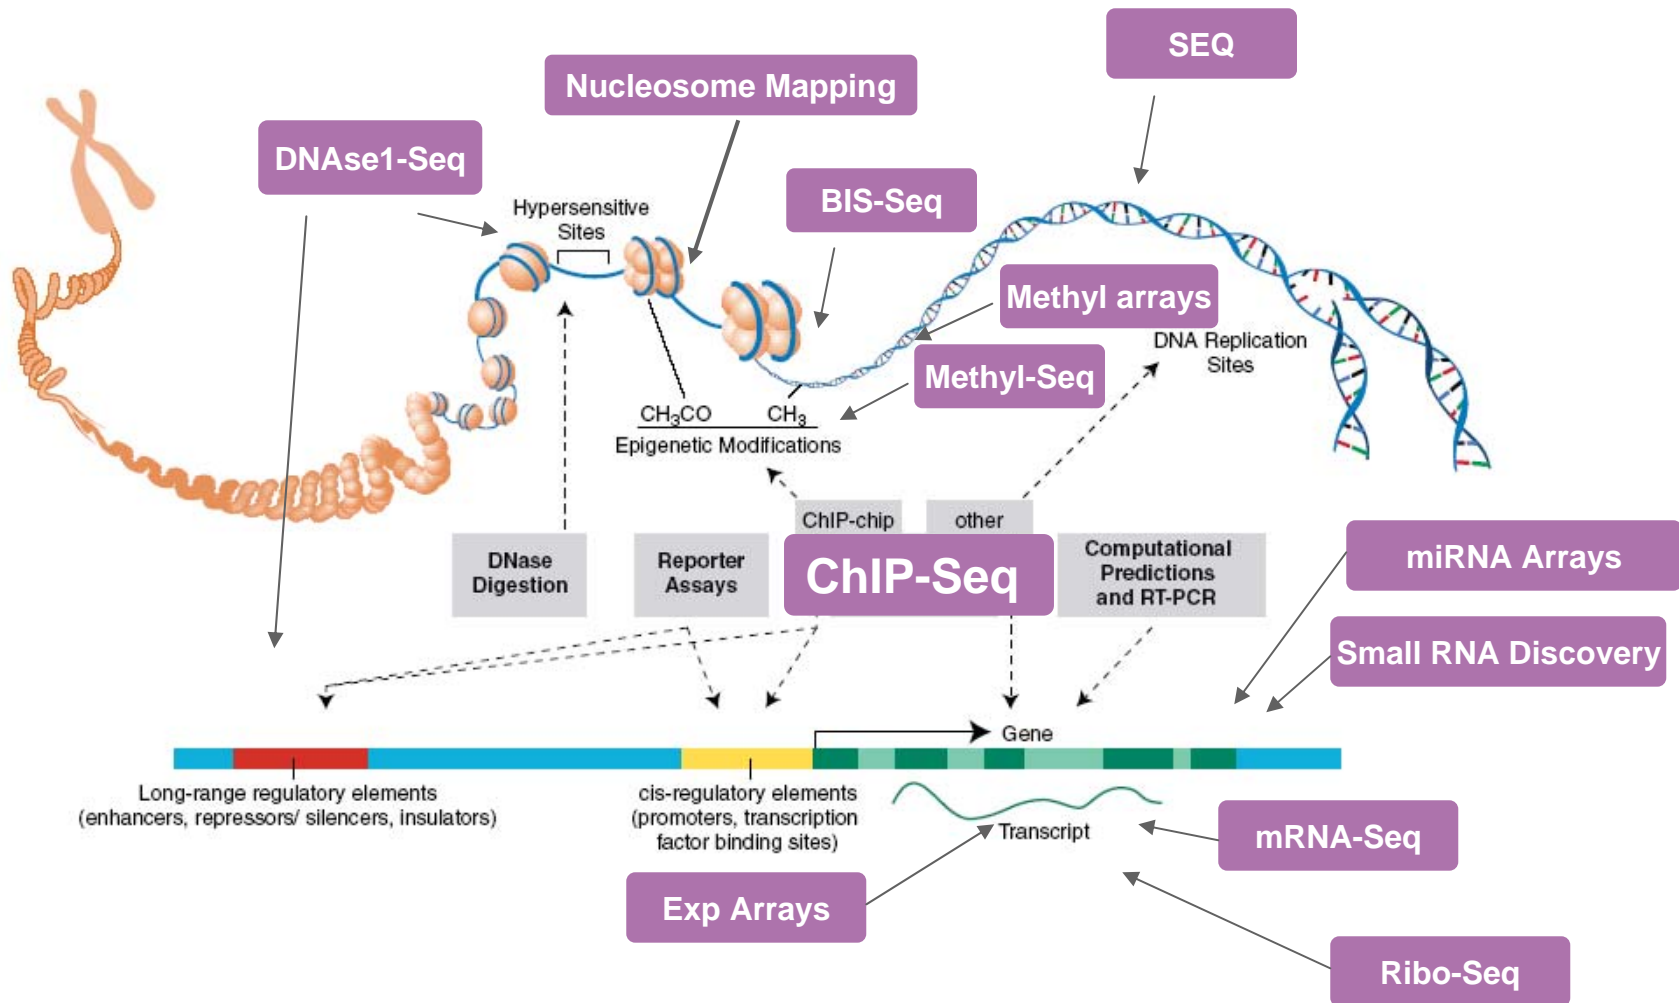

Collaborative Approach to Genetic Analysis

- FastTrack Services Project Manager
 - Expert in Illumina's technology
 - Streamline your study and can guide you through the steps to optimize the data quality for every sample
 - Commitment to reliable data
- Genotyping
 - Infinium GWAS
 - Infinium iSelect Custom Arrays
 - GoldenGate Focused Arrays
- Sequencing
 - Whole Genome Sequencing
 - Targeted Resequencing
 - Transcriptome Sequencing
 - Small RNA Analysis
 - ChIP-Seq
- CLIA certified
