TO THE EXTENT PERMITTED BY LAW AND SUBJECT TO THE EXPRESS PRODUCT WARRANTY MADE IN THESE TERMS AND CONDITIONS SELLER MAKES NO (AND EXPRESSLY DISCLAIMS ALL) WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, OR ARISING FROM COURSE OF PERFORMANCE, DEALING, USAGE OR TRADE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SELLER MAKES NO CLAIM, REPRESENTATION, OR WARRANTY OF ANY KIND AS TO THE UTILITY OF THE PRODUCT FOR PURCHASER’S INTENDED USES.

7. **Product Warranty.**

All warranties are personal to the Purchaser and may not be transferred or assigned to a third-party, including an affiliate of Purchaser. All warranties are facility specific and do not transfer if the Product is moved to another facility of Purchaser, unless Seller conducts such move. The warranties described in these terms and conditions exclude any stand-alone third party goods that may be acquired or used with the Products.

a. **Warranty for Product.** Seller warrants that the Products, excluding the Program, will conform to its Specifications until the later of (i) 3 months from the date of shipment from Seller, or (ii) any expiration date or the end of the shelf-life pre-printed on such Products by Seller, but in either event, no later than 12 months from the date of shipment.

b. **Warranty for Program.** The warranty for the Program is set forth in the Program Terms.
c. **Exclusions from Warranty Coverage.** The foregoing warranties do not apply to the extent a non-conformance is due to (i) abuse, misuse, neglect, negligence, accident, improper storage, or use contrary to the Documentation, Specifications, (ii) use that is an Excluded Use or otherwise not in accordance with these terms and conditions, including without limitation the Permitted Use, (iii) improper handling, installation, maintenance, or repair (other than if performed by Seller’s personnel), (iv) unauthorized alterations, (v) Force Majeure events, or (vi) use with a third party’s good (unless the Product’s Documentation or Specifications expressly state such third party’s good is for use with the Product).

d. **Procedure for Warranty Coverage.** In order to be eligible for repair or replacement under this warranty Purchaser must (i) promptly contact Seller’s support department to report the non-conformance, (ii) cooperate with Seller in confirming or diagnosing the non-conformance, and (iii) return the Product, transportation charges prepaid to Seller following Seller’s instructions or, if agreed by Seller and Purchaser, grant Seller’s authorized repair personnel access to the Product in order to confirm the non-conformance and make repairs.

e. **Sole Remedy under Warranty.** Seller will, at its option, repair or replace non-conforming Product that is covered by this warranty, provided that Seller can reasonably identify and confirm such nonconformance. The warranty period for repaired or replaced Products is 90 days from the date of shipment, or the remaining period on the original warranty, whichever is later. The preceding states Purchaser’s sole remedy and Seller’s sole obligations under the warranty provided.

8. **Indemnification.**

a. **Indemnification by Seller.** Subject to these terms and conditions, including without limitation, the Exclusions to Seller’s Indemnification Obligations (Section 8(a) below), the Conditions to Indemnification Obligations (Section 8(c) below), Seller shall (i) defend, indemnify and hold harmless Purchaser against any third-party claim or action alleging that the Product, when used for a Permitted Use, strictly in accordance with these terms and conditions, Documentation, and each step of the WorkFlow, infringes the valid and enforceable intellectual property rights of a third party, and (ii) pay all settlements entered into, and all final judgments and costs (including reasonable attorneys’ fees) awarded against Purchaser in connection with such claim. If the Product or any part thereof, becomes, or in Seller’s opinion may become, the subject of an infringement claim, Seller shall have the right, at its option, (A) procure for Purchaser the right to continue using the Product, (B) modify or replace the Product with a substantially equivalent non-infringing substitute, or (C) require the return of the Product and terminate the rights, license, and any other permissions provided to Purchaser with respect to the Product and refund to Purchaser the depreciated value (as shown in Purchaser’s official records) of the returned Product at the time of such return; provided that, no refund will be given for used-up or expired Products. This Section states the entire liability of Seller for any infringement of third party intellectual property rights, as well as Seller’s entire obligation under these terms and conditions to indemnify, defend and hold harmless Purchaser and its officers, directors, representatives, and employees.

b. **Exclusions to Seller Indemnification Obligations.** For the avoidance of doubt, Seller has no obligation to defend, indemnify or hold harmless Purchaser for any claim to the extent such claim or action arises from: (i) use of the Product for any Excluded Use, (ii) use of the Product in any manner not in accordance with its Specifications, its Documentation, or the rights expressly granted to Purchaser and restrictions imposed on Purchaser under these terms and conditions, including without limitation, any use of the Product for any purpose other than the Permitted Use, (iii) use of the Product in combination with any third party products, materials, or services (unless the Product’s Documentation or Specifications expressly state that such third party’s good is for use with the Product), (iv) use of the Product to perform any assay or other process not supplied by Seller, (v) Seller’s compliance with specifications or instructions for such Product furnished by, or on behalf of, Purchaser, (vi) Purchaser’s breach of any of these terms and conditions, or (vii) use of stand-alone third party goods that may be acquired or used with the Products (each of (i) – (vii), is referred to as an “Excluded Claim”). Notwithstanding anything in these terms and conditions to the contrary, in the event the Secretary of the Department of Health and Human Services (Secretary) (HHS) issues any PREP Act Declaration with respect to the EUA Products, Seller shall have no obligation to indemnify, defend or hold harmless Purchaser or its officers, directors, representatives and employees for any claim or action that is subject to the PREP Act, 42 U.S.C. §§ 247d-6d.

c. **Indemnification by Purchaser.** Purchaser shall defend, indemnify and hold harmless Seller, its affiliates, their non-affiliate collaborators and development partners that contributed to the development of the Product, and their respective officers, directors, representatives and employees against any claims, liabilities, damages, fines, penalties, causes of action, and losses of any and every kind (including reasonable attorneys’ fees), including without limitation, infringement of a third party’s intellectual property rights, resulting from, relating to, or arising out of any Excluded Claim, personal injury or death claims, and Purchaser’s marketing, sale, and/or provision of services using the Products, including without limitation, actions (or inactions) taken by individuals who receive (directly or indirectly) results from Purchaser’s use of Products, or harm from misdiagnosis, missed diagnoses and actions or inactions taken as a result of information provided (directly or indirectly) by Purchaser to patients, physicians, or other entities.

d. **Conditions to Indemnification Obligations.** The parties’ indemnification obligations are conditioned upon the party seeking indemnification (i) promptly notifying the other party in writing of such claim or action, (ii) giving the other party exclusive control and authority over the defense and settlement of such claim or action, (iii) not admitting infringement of any intellectual property right without prior written consent of the other party, (iv) not entering into any settlement or compromise of any such claim or action without the other party’s prior written consent, (v) not making any admission as to liability or fault that would adversely affect the indemnified party, and (vi) providing reasonable assistance to the other party in the defense of the claim or action; provided that, the indemnifying party reimburses the indemnified party for its reasonable out-of-pocket expenses incurred in providing such assistance.
9. **Payment Terms.** Seller will invoice upon shipment. Subject to Seller’s credit review of Purchaser (following which Seller shall inform Purchaser of applicable payment terms), all payments are due within 30 days of the date of the invoice except that payments in Japan are due within 60 days of the date of the invoice. All amounts due shall be paid in the currency found on the invoice. If payment is made by wire or other electronic funds transfer, Purchaser is solely responsible for any bank or other fees charged, and will reimburse Seller for any such fees. If any payment is not made by the due date Seller may exercise all rights and remedies available by law. Purchaser shall pay for all costs (including reasonable attorneys’ fees) incurred by Seller in connection with the collection of late payments. Each purchase order is a separate, independent transaction, and Purchaser has no right of set-off against other purchase orders or other transactions with Seller. Seller will determine payment terms on a per-order basis and may modify credit terms in its discretion. Any amounts not paid when due will accrue interest at the rate of 1.5% per month, or the maximum amount allowed by law, if lower.

10. **Shipping Terms, Title and Risk of Loss.**

Unless otherwise set forth in writing by Seller or otherwise agreed between the parties, all shipments are made DAP (Incoterm 2010) at the address designated by Purchaser at the time of ordering and Purchaser is responsible for freight and insurance which will be added to the invoice and paid by Purchaser, except that all shipments to member countries of the E.U. are made DDP (Incoterm 2010) at the address designated by Purchaser at the time of ordering. In all cases, title (except for the Program and third-party software) and risk of loss transfers to Purchaser when Product is made available at such address.

11. **Taxes.**

Purchaser agrees that any applicable sales, use, excise, VAT (value added tax), GST (goods and services tax), withholding and other taxes will be calculated based on both the tax rates in effect on the date of shipment and the ship to address for the Product. Any amounts for tax listed on a quotation, if any, are for reference purposes only and are not binding on Seller. All prices and other amounts payable to Seller are exclusive of and are payable without deduction for any taxes, customs duties, tariffs or charges hereafter claimed or imposed by any governmental authority upon the sale of Product, all of which will be paid by Purchaser. In the event Seller is required by law or regulation to pay any such tax, duty or charge, such amount will be added to the purchase price or subsequently invoiced to the Purchaser. For Purchasers in New Zealand, Seller and Purchaser agree that subsection 8(4) Goods and Services Tax Act 1985, as may be amended, does not apply to the Products.

12. **General.**

a. **Applicability of Terms and Conditions.** These terms and conditions exclusively govern the ordering, purchase, supply, and use of Product, and override any conflicting, amending and/or additional terms contained in any purchase orders, invoices, or similar documents all of which are hereby rejected and are null and void. Seller’s failure to object to any such terms shall not constitute a waiver by Seller, nor constitute acceptance by Seller of such terms and conditions. Third party products may be subject to additional terms and conditions.

b. **Legal Compliance.** Nothing in these terms and conditions is intended, or should be interpreted, to prevent either party from complying with, or to require a party to violate, applicable laws. In the event that either party is notified by a regulatory agency or government body, including without limitation the FDA or any foreign equivalent, or has a reasonable basis to believe, that a party’s performance under these terms and conditions is illegal or violates any law, then such party shall promptly inform the other party, and Seller has the right to cease supplying the affected Product immediately.

c. **Order Changes/Cancellations.** Orders for Products or the Program may not be changed or cancelled once placed.

d. **Governing Law.** These terms and conditions, their interpretation, and the performance of the parties shall be governed by the laws of (i) the State of California, U.S.A., if Purchaser is the United States; (ii) the laws of the country where the Seller entity is located, if Purchaser is not located in the United States. Seller and Purchaser agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to these terms and conditions, including any terms in the Documentation.

e. **Arbitration.** In Seller’s sole discretion, any dispute, claim or controversy arising out of or relating to these terms and conditions, shall be determined by confidential binding arbitration conducted in the English language, under generally accepted arbitration rules and procedures in a venue to be determined by Seller. In all cases of arbitration each party shall bear its own costs and expenses and an equal share of the arbitrator’s and administrator’s fees of arbitration; neither party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of both parties, unless required by law; the decision of the arbitrator shall be final and binding on the parties, provided that, the arbitrator shall not have the authority to alter any explicit provision of these terms and conditions; judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude the parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

f. **Representations and Warranties.** Purchaser is not an authorized dealer, representative, reseller, or distributor of any of Seller’s, or its affiliates’, products or services. Purchaser represents and warrants that it (i) is not purchasing the Product on behalf of a third party, (ii) is not purchasing the Product in order to resell or distribute the Product to a third party, (iii) is not purchasing the Product in order to export the Product from the country in which Seller shipped the Product pursuant to the ship-to address designated by Purchaser at the time of ordering (“Ship-to Country”), and (iv) will not export the Product out of the Ship-To Country.

g. **Remedies for Breach.** In addition to any remedies specified elsewhere under these terms and conditions, and any remedies available to Seller under law or in equity, in the event Purchaser breaches these terms and conditions, Seller may do any, all, or any combination of the following: (i) cease performance, including without limitation, cease further shipments of Product, (ii) terminate the rights granted to Purchaser pursuant to Section 2 (Rights to Product Upon Purchase), (iii) terminate any service contracts then in effect for affected Product, (iv) terminate any remaining product warranty for the affected Product, and (v) require Purchaser to immediately pay any unpaid invoice.

h. **Service Contracts.** If a Seller extended service contract for Hardware is being provided then Seller’s standard terms and conditions for such service contract shall exclusively govern such extended service contract.
i. Future Products. Any future products and/or services ("Unreleased Products") are subject to new part numbers, pricing, and specifications and the acquisition of Product hereunder is not in reliance on the availability of any Unreleased Products.

j. Seller Affiliates. Any actions or rights that may be performed or exercised by Seller hereunder may be performed or exercised by Seller itself or by any of its affiliates. By way of non-limiting example, Seller’s affiliates may carry out shipment, servicing, invoicing and receipt of payment.

Any notice required or permitted shall be in writing and shall be deemed received when (i) delivered personally; (ii) 5 days after having been sent by registered or certified mail, return receipt requested, postage prepaid (or 10 days for international mail); or (iii) 1 day after deposit with a commercial express courier that provides written verification of receipt.

m. Seller Information. Seller may maintain and use a database of orders and account information pertaining to Purchaser for purposes of order processing, maintaining records, assisting with future orders of Purchaser, and compliance with applicable laws and regulations. Purchaser may not disclose any financial terms of this transaction to any third party without the prior written consent of the Seller, except as (and only to the extent) required by securities or other applicable law. Purchaser grants to Seller a non-exclusive, fully paid-up, royalty-free, worldwide, irrevocable, perpetual right and license, with the right to sublicense, to use and commercialize in any manner suggestions, ideas or comments provided by Purchaser to Seller related to the Products.

n. Export Compliance. The Products, any related technology, or information provided to Purchaser may be subject to restrictions and controls imposed by the United States Export Administration Act and the regulations thereunder (or the export regulations and laws of another country). Notwithstanding anything to the contrary in these terms and conditions, Purchaser agrees not to use the Products in, or export or re-export the Products, any related technology, or information provided to Purchaser into, any country or to any person or entity, or in any manner, in violation of such controls or any other laws, rules or regulations of any country, state or jurisdiction.

These terms and conditions represent the entire agreement between the parties regarding the subject matter hereof and supersede all prior discussions, communications, agreements, and understandings of any kind between the parties. No amendment to these terms or waiver of any right, condition, or breach will be effective unless made in a writing signed by both parties. If any provision is held invalid or unenforceable, such provision shall be enforced to the maximum extent permissible so as to give effect to the intent of the parties, and the remaining terms will continue in full force and effect. The failure of either party to exercise any right granted herein or to require any performance of any term or the waiver by either party of any breach shall not prevent a subsequent exercise or enforcement of, or be deemed a waiver of any subsequent breach of, the same or any other term. Nothing herein shall constitute or create a joint venture, partnership, or any other similar arrangement between the parties. There are no third party beneficiaries to these terms and conditions.
