

Illumina instrument service plans

Maximize instrument performance and protect your investment with tiered service plans that offer peace of mind and the right level of service for every lab.

Illumina Service Plans help optimize productivity and minimize interruptions with reliable service for instrument maintenance.

- Protect your investment with fast, reliable support
- Leveraging our team of genomic experts
- Extend coverage beyond the standard 1-year warranty

A standard one-year base warranty is included with every new Illumina instrument purchase. Installation and training on the instrument are also included with most instrument purchases.
